No accommodations received during my schooling

## Professional Integrity Statements

☒ I understand that as a member of a licensed profession in the healthcare community, supporting the validity and integrity of the examination and licensure process is my professional responsibility.

☒ I will not share information about the content of the examination, including specific topics or information about test questions, with anyone.

☒ I understand that I have rights and responsibilities as a test taker (<http://www.apa.org/science/programs/testing/rights.aspx>). I will direct any questions or concerns about the content of the NPTE examinations and the administration process to FSBPT (<mailto:npte@fsbpt.org>). I will report anyone violating NPTE security policies to FSBPT (<mailto:security@fsbpt.org>).

☒ **I will not share the contents of other copyrighted materials, including the PEAT practice test or jurisprudence assessments, with anyone. I understand that doing so places a burden on candidates who do purchase these products and may reduce their ability to provide accurate scores.**
